

State Route 87 (Arizona Avenue) and Riggs Road Intersection Pavement Rehabilitation

Work to begin
Monday,
Jan. 12

Project Hotline: (602) 283-9800

January 2009

Project Description

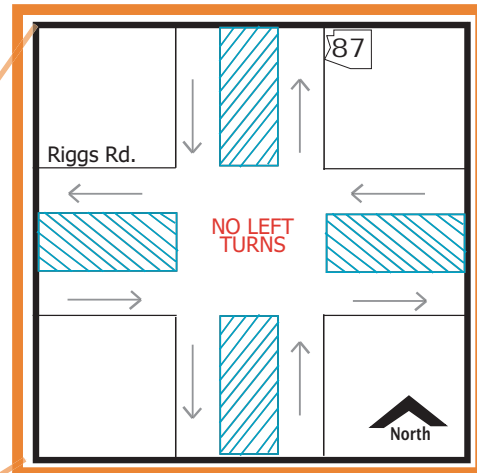

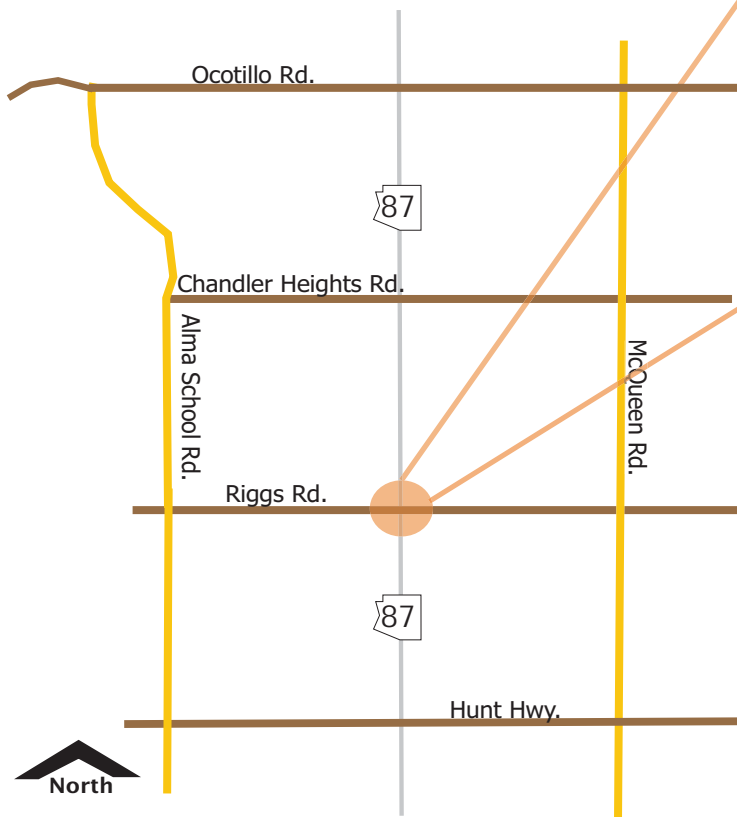

Beginning Monday, Jan. 12, ADOT will begin pavement rehabilitation to replace the asphalt both north and southbound on State Route 87 (Arizona Avenue) at Riggs Road. Riggs Road will be restricted to one lane in each direction at the intersection. Access to area businesses will be maintained throughout the project.

Project Highlights:

- Project is projected to take four to six weeks to complete.
- One lane of traffic in all directions around the clock.
- Reduced speed limits will be posted.
- There will be **NO LEFT TURNS** throughout the project.
- Expect weekend work and 24-hour restrictions will be in place.
- Final asphalt paving will take place when temperatures are warmer.

Drivers are encouraged to plan alternative routes to avoid construction zones, or to use the suggested detours.

- north and south detour
- east and west detour

construction
work zone

**One lane each direction for the
duration of the project.**

Work will begin Monday, Jan. 12!
